# CORPORATE ACCOUNT PROGRAM

*Good for your customers.  
Great for your business.*

The more employees work out of the office, the more they need to lean (and sit) on products that can keep up. Our Work from Home online shop helps your corporate partners offer the high-performing, award-winning designs of an industry leader.

### *How it works:*

- 1** Request a unique corporate account code for your customer from your SitOnIt Seating Sales Rep.
- 2** Receive the Corporate Account Code, unique URL and customized flyer from SitOnIt Seating Sales Rep.
- 3** Share that flyer, along with the corporate account code and unique URL with your corporate partner and automatically get credit for every employee purchase.

### *What it delivers:*

- ✓ *More revenue with larger accounts*
- ✓ *A way to offer corporate-approved products*
- ✓ *A hassle-free dealer-focused program*
- ✓ *Tracking and reporting for every employee purchase*
- ✓ *Employee wellness at home with ergonomically-sound solutions*
- ✓ *Flexible invoicing by billing the company, employees, or even the dealer*
